**Princeton Review : The Complete Book of Colleges, 2017 Edition: The Mega-Guide to 1,355 Colleges and Universities (College Admissions Guides)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Book of Colleges, 2017 Edition: The Mega-Guide to 1,355 Colleges and Universities (College Admissions Guides):

1 of 1 people found the following review helpful. Good for comparing schoolsBy Gina CGot this for a senior in HS. She has been very happy with it as a resource. It is nice that she can use it to compare apples to apples, rather than relying only on correspondence from the schools themselves, or their websites.1 of 1 people found the following review helpful. Comprehensive and informative.By Bill CComprehensive and informative. Provided a clear

understanding of the relative strengths of the several schools that we were looking at which allowed us to make an objective final selection. 1 of 1 people found the following review helpful. Five Stars By Duncan MacLeod A thorough representative of US and some Canadian colleges.

The MEGA-GUIDE to 1,355 COLLEGES AND UNIVERSITIES! No one knows colleges better than The Princeton Review! Inside The Complete Book of Colleges, 2017 Edition, you'll find meticulously researched information that will help you narrow the search for the best college for you! Each of the 1,355 user-friendly profiles answers your questions, including: How much are tuition and other student fees and costs? What types of financial aid are available, and when are the applications due? What do admissions officers most look for in test scores and recommendations? Which majors are the most popular and have the highest enrollment? What is the housing like, and how accessible is technology on campus? What are the key campus organizations, athletics, and student activities? How selective is the school? Plus! Indexes based on cost, selectivity, and size that will help you narrow your search. Get a leg up on your college search with this easy-to-use, comprehensive, and savvy guidebook from the experts at The Princeton Review.

From the Inside Flap This is the only guide students will need for a successful preliminary college search. Browsing through the 2002 edition of the Complete Book of Colleges, students will find meticulously researched profiles of more than 1,600 schools. It contains the latest information for each school on: Academic programs and majors offered Admissions requirements, including average GPA and SAT scores of incoming freshmen Tuition, fees, and other costs Campus mailing and e-mail addresses, and phone and fax numbers Housing, libraries, laboratories, and other facilities Available financial aid Athletics and other extracurricular activities Student services like counseling, career placement, and accommodations for the disabled Each profile features icons that give readers an at-a-glance picture of enrollment, selectivity, and costs. In addition, TPR includes The Princeton's Admissions Wizard, a short questionnaire that streamlines students' college search by helping them define the right type of school. In addition to the useful statistics and deadline information, the Complete Book of Colleges helps students find schools that offer the degrees they're looking for, and lets them know what tests they need to take to gain admission. Because, after all, there's a lot more to getting into college than just knowing where to send the applications. About the Author The experts at The Princeton have been helping students, parents, and educators achieve the best results at every stage of the education process since 1981. The Princeton has helped millions succeed on standardized tests, and provides expert advice and instruction to help parents, teachers, students, and schools navigate the complexities of school admission. In addition to classroom courses in over 40 states and 20 countries, The Princeton also offers online and school-based courses, one-to-one and small-group tutoring as well as online services in both admission counseling and academic homework help.
