Jeff Haden : The Complete Dictionary of Real Estate Terms Explained Simply: What Smart Investors Need to Know before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Dictionary of Real Estate Terms Explained Simply: What Smart Investors Need to Know:

1 of 1 people found the following review helpful. Definitely not "Complete" but maybe "Basic", but not enough for

the real estate exam. By PCoopAs someone starting out in this field I was looking for reference material that is current and complete. I'm also looking for material that will help as a study guide for the real estate exam. After passing the exam on the first try, I'm reminded that every time I went to this book I was disappointed. This book has not been updated since 2006 and things have changed. The best book and mostly complete is Barron's, Dictionary of Real Estate Terms, updated 2013. Note that I said "mostly complete" not "The Complete Dictionary". Just one look at both books and you'll instantly see the difference and become increasingly impatient with the "The Complete Dictionary". Another good book but certainly not a must have to pass the test is Appraisal Institute's, The Dictionary of Real Estate Appraisal. Kind of expensive but a good source of material that you'll find handy from time to time. That's my two cents, good luck on the exam. 0 of 0 people found the following review helpful. Thorough and Easy to Use Guide! By Laura H. I purchased this as a gift for a realtor friend, who had initially found it at a local library and was impressed with the completeness of the guide and with how well the terms were explained. I would recommend this book for anyone interested in real estate terminology, whether professional or lay person. I believe it would be especially helpful for the real estate novice or for anyone preparing to make a real estate transaction of any kind. 0 of 0 people found the following review helpful. Five Stars By Customer Very Handy

Real estate words and real estate terms can be very confusing. Both experienced real estate investors and consumers will love this A-to-Z guide packed with more than 2,400 complicated terms easily defined. No categories are overlooked. Find all the answers you'll ever need to a universe of real estate terms on thousands of subjects, such as: abstract of title, wraparound debt, caveat emptor, escheat, metes and bounds, pipestem lot, recital, testator, devisee, and 2,400 more. This new book is designed to assist real estate agents, consumers, and investors. This new handy guide will simplify these complicated and confusing terms for quick and easy understanding. You will not find lengthy and difficult words in the description, just short and easy to understand answers. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. Founded over twenty years ago in the company president's garage, Atlantic Publishing has grown to become a renowned resource for non-fiction books. Over the years our books have won dozens of book awards for content, cover design and interior design including the prestigious Benjamin Franklin award for excellence in publishing. We are proud of the high quality of our books and hope you will enjoy this eBook version.

Even after 20 years as a real estate investor I was pleasantly surprised as the number of terms that where I did not have a good working definition. Having looked up a specific term I found myself wanting to check a few more to see what else I could learn. Definitely a reference source to keep handy when working your deals. --John B. Corey Jr., Chelsea Private Equity LLC About the Author Jeff Haden bought his first home while still in college; since then he's invested extensively in residential and commercial properties in five states. He has also written extensively on real estate investing, mortgages, and personal finance. A graduate of James Madison University, he is also President of BlackBird Media, an advertising agency and book publishing services provider.
