Bill Mooney, George Ennor : The Complete Encyclopedia of Horse Racing: The Illustrated Guide to the World of the Thoroughbred before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Encyclopedia of Horse Racing: The Illustrated Guide to the World of the Thoroughbred:

0 of 0 people found the following review helpful. Five Stars By ana velazquez Super nice book. I love it...great conditions
0 of 7 people found the following review helpful. incomplete... By charlotte I would like to commend the author on the lovely presentation and historical photos, but where in the world is the great filly Gallorette? Why isn't she in this book among the greats? I am astounded that he left her out, no great horse racing encyclopedia is worthy without mention of Gallorette.

Written by acknowledged authorities on the racing scene in both the United Kingdom and United States, and fully

updated to the end of the 2008/2009 European winter season, *The Complete Encyclopedia of Horse Racing* is the definitive illustrated work on the horses, with every page a visually exciting and information-packed celebration of the sport. It follows horse racing from its earliest inceptions to the present day, and provides essential data on all the top jockeys, leading owners and trainers, and famous Thoroughbreds. In addition, the off-track world is explored through chapters dealing with gambling, scandals and disasters, media coverage, and the business of racing.

About the Author Bill Mooney won his second Eclipse Award for magazine writing in 2007. He served as associate editor of the old *Thoroughbred Record* and *The Thoroughbred Times*, and contributed to a number of horse racing programs on ESPN.
