Our state legislators should read this book to learn the value of our industry. The Complete Guide to Horse Careers by Sue Reynolds - A brand new book on the market that I was delighted to see. This is a fun book to read and quickly me involved in. Sue Reynolds has done her homework and delivered her material in a concise, well-laidout format. Her book covers jobs related to Industry, education training, resumes, references and wages available. She has done over 200 interviews going directly to the source and speaking to successful people who love what they do- This ever changing industry is exciting to be a part of this book will help establish for you what choice you may want to take to become involved or stay involved. Brighton Feed and Saddlery, Brighton, CO. -- Verna of Brighton Feed in Brighton ed by Rod Dowse: Cascade Horseman. "If you are even remotely interested in pursuing a career related to the horse industry, Sue Reynolds' new book, The Complete Guide to Horse Careers will be of help. Reynolds notes that nearly 700,000 people are employed in the United States in careers related to the nearly 7,000,000 horses roaming in the pastures in the U.S. 150 horse career specialists were interviewed in reseaching these topics. The author's compiliation of careers ranges from working in the animal health field as farriers, to professional cowboys and publishers. Each chapter highlights top professionals and businesses in specific lines of work. Each listing provides tips from those professionals; ideas on building experience and preparing resumes, resources for grants, loans, federal aid, educational and training requirements, income expectations, and much more regarding the horse industry. This guide to careers is both interesting to read and helpfu! I. I recommend it as a valuable resource in finding a career to fit your personality and needs." -- Rod Dowse: Cascade HorsemanAbout the AuthorSue Reynolds is a freelance writer, speaker, horse enthusiast, and co-author of Sirens For The Cross. She has a masters degree in education, a reading specialist credential, served as teacher for grades kindergarten through college, and was a Children's Minister for eight years. She and her husband, Gaius, reside in the mountains of Colorado.
