If you've been in the business world for a few years then this book does offer some good advice. However, if you're just out of school, you might want to consider another book.6 of 14 people found the following review helpful. Great BookBy Kenny ThongGreat book!You can forget about writing boring cover letter that is becoming predictable by using this book as a guide.Susan did a great job by using lots of example, regardless of the situation you are in.I think it is a must for any serious job-seeker.1 of 5 people found the following review helpful. your the best.By Andriela LewisWhen I first saw your web I said to myself these people cant be for realguess what you are for real. All of your products are affordable andthe quality is amazing for the price. I purchased several books mostlyabout how to write the best cover letter and resume the books were

used and in awesome condition. There is one problem your shipping and handling cost are through the roof please try to work out some deals with this issue. Best Regards.

You're no idiot, of course. You read the classifieds every day, call your career counselors by their first names, and even help your friends write winning resumes. But when it comes to composing a fantastic cover letter, you feel like someone just slammed the job-opportunity door on your foot. Don't give up yet! *The Complete Idiot's Guide to The Perfect Cover Letter* shows you how to write a cover letter that convinces employers to call you for an interview. In this *Complete Idiot's Guide*, you get:
