Marc Dorio, Alan Axelrod Ph.D. : The Complete Idiot's Guide to the Perfect Interview, Second Edition (2nd Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Complete Idiot's Guide to the Perfect Interview, Second Edition (2nd Edition):

3 of 3 people found the following review helpful. The best I've read so far By S. Campbell III was taken down a peg in excitement when I discovered that yet another book doesn't seem to grasp truly helpful information for blue collar work seekers but none the less taking some time everyone can find helpful information in the pages of this book. It's incredibly informative and after reading it I was amazed at how easy it was to impress interviewers. I felt much more prepared for the task or job hunting after reading this book. Makes a great graduation gift too.
