**Lee Harper, Joyce L. White : The Complete Illustrated Encyclopedia of Cats Kittens** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Illustrated Encyclopedia of Cats Kittens:

0 of 0 people found the following review helpful. Cats and Kittens EncyclopediaBy customerThis book is a very thick book jammed with information about cats and kittens. I purchased it as a gift for an animal lover. She loves the book and reads it frequently.0 of 0 people found the following review helpful. Condition of bookBy ironhorse4Maybe it was my fault, however, I was disappointed with the condition of the book. It was to be a gift.

Part of a great new series of comprehensive and accessible encyclopedias on our favourite animals, this is your definitive guide to the cat. Discover the cat throughout history and culture, its anatomy, appearance and behaviour, and take in a wealth of practical advice on how to choose a cat, care, health, breeding, and showing your cat. Information on evolution and classification is included before succinct clear entries go on to cover all the main breeds of domestic

cat (nearly 60), split into shorthair and longhair and organised by type. There are also entries on wild cats and helpful statistics and icons provide essential information at a glance.

About the Author Lee Harper is the founding editor of the award-winning online cat magazines ShowCatsOnline.com and PandEcats.com. She began breeding Persian cats under the Mockingbird cattery name in 1994, adding Exotic Shorthairs in 1999. In July 2000 she founded PandEcats.com, the first online breed magazine on the web, followed 6 months later by ShowCatsOnline.com, an ezine devoted to all breeds of pedigreed cat. Joyce L. White has been writing about cats for over 20 years, during which time she has written for most Canadian and US cat publications. She began writing for I Love Cats in the mid-1980s and became contributing editor in 2001. Joyce has published five non-fiction books and two fiction.
