Catherine Austen, Sarah Corrie, Pippa Roome, Nicola Jane Swinney : The Complete Illustrated Encyclopedia of Horses Ponies before purchasing it in order to gage whether or not it would be worth my time, and all praised The Complete Illustrated Encyclopedia of Horses Ponies:

3 of 3 people found the following review helpful. Horses and Ponies EncyclopediaBy customerVery thick, jammed-packed book on everything you want to know about horses and ponies. I gave this book as a gift along with the encylopedias on dogs and cats. The recipient loves these books and reads them frequently. The illustrations in all the books are wonderful. I would recommend these books for any animal lover from about age 10 to adult.

Part of a great new series of comprehensive and accessible encyclopedias on our favourite animals, this is your definitive guide to the horse. Discover the horse throughout history and culture, its uses, anatomy, appearance and behaviour, and take in a wealth of practical advice on how to choose and buy a horse, care, health, breeding, tack and equipment, riding and training, and competing. Succinct clear entries cover all the main breeds of horse (nearly 200),

split into ponies, light horses and heavy horses and organised by country. Helpful statistics and icons provide essential information at a glance.
