It is full of footnotes that explain things that don't quite make sense anymore. It also has timelines and family trees. If you want all of your Shakespeare in one place, this is definitely something you should consider.1 of 3 people found the following review helpful. This book is a keeper!By Theresa A. AframI purchased this book for a college English course and I am going to keep it as a resource. Despite the fact that it is a hard cover, it is lightweight. Also, it is nice to have a comprehensive volume of Shakespeare's works on hand.

Complete works of Shakespeare.
