Alfred J. Kolatch : The Comprehensive Dictionary of English Hebrew First Names before purchasing it in order to gage whether or not it would be worth my time, and all praised The Comprehensive Dictionary of English Hebrew First Names:

0 of 0 people found the following review helpful. Four StarsBy CustomerVery useful! Has a lot of terrific names and will definitely come in handy once our little one arrives!1 of 1 people found the following review helpful. Five StarsBy Michele S.It is truly comprehensive! I would suggest it as a resource for a library.1 of 1 people found the following review helpful. COMPREHENSIVE DICTIONARY OF ENGLISH AND HEBREW FIRST NAMESBy ruth

perelsonHappy to see this newer edition. Have been using this fascinating book for about 50 years. Nothing else like it on the market. A must have.

Since the publication of his *These Are the Names*, Rabbi Alfred J. Kolatch, has been recognized as the world's leading authority on English and Hebrew names and their meanings. That pioneering work paved the way for the author's other distinguished books on nomenclature, including *The Name Dictionary* and *Best Baby Names for Jewish Children*. Now, in this most comprehensive work ever prepared on the subject, Rabbi Kolatch expands on his previous efforts by introducing many hundreds of new Hebrew names that have become popular in both Israel and the diaspora. He thereby provides an indispensable resource for parents seeking a name for their newborns, for sociologists analyzing societal trends, and for scholars tracing the evolution of language. *The Comprehensive Dictionary of English Hebrew First Names* begins with an introduction that explains the origins of names and the Jewish naming process. It discusses the Bible as a source of names, names with positive attributes, celebrity names, masculine/feminine interchanges, and more. Wide-ranging in scope, the dictionary also explains the ceremonies traditionally followed for naming a boy and a girl and explores Jewish custom as it relates to naming children after relatives, naming an adopted child, and naming a convert. The entries in this book are presented alphabetically. Immediately following each entry, where applicable, the Hebrew spelling is provided in vocalized Hebrew script. The language(s) from which the name derives as well as its literal meaning are then indicated. Finally, Hebrew equivalents are offered in transliterated English. Those seeking to name a child based on meaning will find the exhaustive Index of Names by Meaning an invaluable tool.

...an indispensable guide for parents seeking a name for a child. -- Libraries Unlimited...appropriate for all collections, regardless of the ethnic makeup of the community... -- Booklist
The Complete Dictionary of English Hebrew First Names is the leading reference for naming children... -- Canadian Jewish News
About the Author
Alfred J. Kolatch, a graduate of the Teachers Institute of Yeshiva University and its College of Liberal Arts, was ordained by the Jewish Theological Seminary of America, which subsequently awarded him the Doctor of Divinity degree, *honoris causa*. Early in his career, he served as rabbi of congregations in Columbia, South Carolina, and Kew Gardens, New York, and as a chaplain in the United States Army. Rabbi Kolatch has authored more than fifty books, the most popular of which are the best-selling *Jewish Book of Why* and *Second Jewish Book of Why*, *The Jewish Book of Why: The Torah*, *The Jewish Mourners Book of Why*, *The New Name Dictionary*, *The Complete Dictionary of English and Hebrew First Names*, and *The Jewish Child's First Book of Why*. His most recent works include *Great Jewish Quotations*, *The Presidents of the United States the Jews*, and *Masters of the Talmud*.
