Michael Clarke : The Concise Dictionary of Art Terms (Oxford Quick Reference) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Concise Dictionary of Art Terms (Oxford Quick Reference):

0 of 0 people found the following review helpful. Three Stars By Olga Kooyman Not as complete as I had hoped. 0 of 0 people found the following review helpful. Just got the book, have not had chance to ... By ruben amirian Just got the book, have not had chance to go thru. But a quick glance tells me that it is going to be very helpful for my purposes

namely learning about ornaments.0 of 0 people found the following review helpful. the art dictionary is very useful; howeverBy Shawn PamplinGenerally, the art dictionary is very useful; however, I wish it would have "broken down" each word like an average dictionary does. That's why it received a "4."

With more than 1,700 entries, *The Concise Dictionary of Art Terms* is an accessible and comprehensive A-Z guide covering a wide range of terms from the visual art world, including periods, styles, materials, well-known schools, techniques, and much more. In this new edition, the text has been fully revised and updated to reflect the latest developments in the field, and has been expanded with more than 100 new entries, focusing primarily on modern and contemporary art materials and techniques. The Dictionary has been further enhanced with the addition of over 100 web links to selected entries, which are accessed and kept up to date via a companion website. These links add another dimension to the print book by allowing the reader to see illustrations of various materials and techniques, while providing easy access to important collections that are freely available online. From "abstract art" to "woodcuts," and "The Baroque Revival" to "ziggurats," this highly browsable dictionary is the ideal reference for students of art and all related subjects, for gallery visitors, and anyone else interested in the visual arts.

About the AuthorMichael Clarke is Director of the National Gallery of Scotland. His books include *The Tempting Prospect: A Social History of English Watercolours* and *Corot and the Art of Landscape* (both published by the British Museum Press).
