From Routledge : The Concise New Partridge Dictionary of Slang and Unconventional English before purchasing it in order to gage whether or not it would be worth my time, and all praised The Concise New Partridge Dictionary of Slang and Unconventional English:

0 of 0 people found the following review helpful. Five StarsBy Alan R JillaGreat1 of 2 people found the following review helpful. WOW! Where has this been all my life?By designerI saw on TV that Richard Burton had one like this, and he used it to look up rude words. Less embarrassing than asking around. It has a lot of unrude words too. Great addition to most anyone's reference library. I love it!

The Concise New Partridge presents, for the first time, all the slang terms from The New Partridge Dictionary of Slang

and Unconventional English in a single volume. With over 60,000 entries from around the English-speaking world, the Concise gives you the language of beats, hipsters, Teddy Boys, mods and rockers, hippies, pimps, druggies, whores, punks, skinheads, ravers, surfers, Valley girls, dudes, pill-popping truck drivers, hackers, rappers and more. The Concise New Partridge is a spectacular resource infused with humour and learning its rude, its delightful and its a prize for anyone with a love of language.

From Booklist For libraries not wanting to invest in the two-volume New Partridge Dictionary of Slang and Unconventional English (2006), here is a handier, scaled-down version. The hundreds of thousands of citations found in the parent dictionary have been excised, but all of the slang terms remain, and some new terms have been added. The \$45 price tag (versus \$175 for the original) puts Partridge within reach for many smaller libraries and even personal collections. --Mary Ellen Quinn Praise for the two-volume New Partridge Dictionary of Slang and Unconventional English: 'The king is dead. Long live the king! The old Partridge is not really dead; it remains the best record of British slang antedating 1945. Now, however, the preferred source for information about English slang of the past sixty years is the New Partridge.' James Rettig, Booklist, American Library Association 'Most slang dictionaries are no better than momgrams or a rub of the brush, put together by shmegegges looking to make some moola. The New Partridge Dictionary of Slang and Unconventional English, on the other hand, is the wee babes.' Ian Sansom, The Guardian 'A great book.' Susie Dent About the Author Tom Dalzell is a lawyer, slang-collector and author. Recognised as a leading expert on American Slang, he is the author of *Flappers to Rappers: American Youth Slang* (Merriam-Webster 1996) and *The Slang of Sin* (Merriam-Webster 1998). Terry Victor is not only a slang-collector, but also an actor, broadcaster, writer and director. He is probably best known for his ground-breaking work with *Murder on the Menu*, which he co-founded in 1989.
