Barbara Ann Kipfer : The Concise Roget's International Thesaurus, Revised and Updated, 7th Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised The Concise Roget's International Thesaurus, Revised and Updated, 7th Edition:

8 of 9 people found the following review helpful. Itsy-bitsy print
By skykie7I bought The Concise Roget's International Thesaurus, Revised and Updated, 7th Edition because my granddaughter, who keeps a journal, requested it. I wanted to order the most recent version for her, yet have it be something she could easily carry around with her -- hence the paperback. I thought this would be ideal. However, the 7th in paperback form is written in the faintest mouse-type I'VE ever seen, and definitions are so jammed together that this Roget is nearly unreadable. As a gift for a fledgling writer, this thesaurus was not ideal, to the point that I nearly sent her my ages-old hard-cover version and kept the new.
The good: It is complete and portable.
The bad: Typeface too small and too faint.

By KristenThis is a great thesaurus.
1 of 1 people found the following review helpful. Eloquence is not overrated.
By Cathi OconnorI use this almost daily. When writing SEO for my website it can be a challenge to come up with a different way to describe the same thing over and over. This helps me think outside the box.

The most up-to-date edition of the world's bestselling thesaurus, Roget's International Thesaurus, 7th Edition gives writers of all levels an unparalleled aid in using language with precision, grace, and power. The most comprehensive, user-friendly thesaurus available, Roget's features more than 325,000 words and phrases, including more than 2,000 all-new entries that reflect the very latest in culture and technology, from alpha male to zero tolerance. The seventh edition has reduced archaic terminology and added 50 new word lists, providing greater ease-of-use and accessibility than any other writers reference book on the market. An indispensable asset for students, writers, reporters, and editors, Roget's International Thesaurus, 7th Edition is your key to unlocking the power of language.

From the Back Cover
A classic reference book that has been used by millions all over the world, Roget's International Thesaurus is the product of more than a century and a half of continual expansion, reorganization, and improvement. Today this book is not only the most time-tested and bestselling thesaurus ever, but, newly revised, it is also the most up-to-date and comprehensive reflection of the English language as it is currently used. The revolutionary achievement of Dr. Peter Mark Roget's first edition in 1852 was the development of a brand-new principle: the arrangement of words and phrases according to their meanings. Dr. Roget's system brings together in one place all the terms associated with a single thought or concept; it allows a wide-ranging survey of language within a book of relatively modest size, without the space-consuming repetitions that so severely limit the scope of thesauruses arranged in a dictionary format with A-to-Z entries. This brilliant organization makes Roget's International Thesaurus both the most efficient word finder and a cutting-edge aid in stimulating thought, organizing ideas, and writing and speaking more clearly and effectively. This revised and updated seventh edition features thousands of new words and phrases, including the newest slang words and expressions that color and inform everyday language. At the same time, it retains all the hallmarks that have made Roget's International Thesaurus the most popular word reference book next to the dictionary.
About the Author
Barbara Ann Kipfer, Ph.D., is a lexicographer who has authored or compiled more than forty books, including the Dictionary of American Slang (with Robert L. Chapman), The Order of Things, Writer's Digest Flip Dictionary, and the bestselling 14,000 Things to Be Happy About. She received her doctorate in linguistics from England's University of Exeter.
