**Chuck Shepherd : The Concrete Enema: And Other News of the Weird Classics** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Concrete Enema: And Other News of the Weird Classics:

0 of 0 people found the following review helpful. Five StarsBy CJThis was bought as a gift and was enjoyed by the recipient.1 of 1 people found the following review helpful. I laughed so hard!By R. SmithThis happens to be one of the funniest books I've ever read. I've always found the weirder news stories interesting, and so when I learned about this book I had to buy it. This book will NOT disappoint! The fact that every story is real, actions and attempts based on the stupidest and most hilarious spin of the human condition...it's impossible to read this book and not bruise your ribs from laughing!!!7 of 9 people found the following review helpful. It really happened!By David StablerYes, these things really happened.yes, they're very weird.This book tells you of all the wild and weird things that come from the minds (we're assuming that some of these people HAVE them, even if they don't use them) of people the world over.If you're not just content to see the latest FOX-TV special on stupid criminals, check this book out for stupid people in all walks of life. It's a cut above the Darwin Awards, but in the same vein.And, yes, there really is a story about the Concrete Enema. Really.Buy it and find out.

"The Concrete Enema" is a collection of the weirdest true stories ever published in Chuck Shepherd's "News of the

Weird" newspaper column.
