**Don Sebesky : The Contemporary Arranger: Definitive Edition** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Contemporary Arranger: Definitive Edition:

An authoritative, easy-to-understand text covering all aspects of arranging. This beautifully bound edition contains a compact disc with examples performed by jazz greats such as George Benson, Freddie Hubbard, Hubert Laws and Don Sebesky's complete orchestra. The comb binding creates a lay-flat book that is perfect for study and performance.
