Interesting and tasty recipes. This is a replacement as my daughter took my original one. She begged; I gave in.The big problem with this series of

cookbooks is - they seem to be out of print. So if you find one, grab it. I also have the Soup cookbook and the Italian cookbook and use them often. 1 of 1 people found the following review helpful. Two Stars By Linzei Foster the print was far too small - ended up giving it to someone else 2 of 2 people found the following review helpful. Love this By Toni Vicalvi I was looking for some new ideas and also for the healthiest way to cook veggies. This give good ideas.
