2 of 2 people found the following review helpful. The Counselling Interview by H. CameronBy kathyj53This is a good addition to my graduate course in Interviewing and Observation course. The subject matter is presented very clearly, some of it in list form, which makes it easy to read and understand.

Effective interviewing skills are crucial for those working within the human service industries. This book outlines essential advice and strategies, and offers helpful learning aids, thus providing developing professionals throughout counselling, social work and psychotherapy with a valuable resource for conducting a successful interview.

About the Author HELEN CAMERON is Senior Lecturer in the School of Social Work and Social Policy at the University of South Australia, Australia. She is an experienced teacher of practice skills and has published many articles on professional practice.
