From Cider Mill Press : The Cuban Cigar Handbook: The Discerning Aficionados Guide to the Best Cuban Cigars in the World before purchasing it in order to gage whether or not it would be worth my time, and all praised The Cuban Cigar Handbook: The Discerning Aficionados Guide to the Best Cuban Cigars in the World:

0 of 2 people found the following review helpful. Five StarsBy KenReally handsome book looks like a humidor. Beautiful2 of 3 people found the following review helpful. Great read for any Cuban Cigar aficionadoBy Victor CajiaoTwo days ago, I ordered this book via \$20.23The Ultimate Cigar Book: 4th Edition https://www..com/dp/1632206579/ref=cm_sw_r_cp_api_OKPcybGWPDR0GI read this book in one sitting. Perhaps

because I am newer to Cuban cigar smoking, and also very much because I am traveling to my homeland Cuba in December. I was able to enjoy all the sections of this book. It covers everything from the history of cigars, to the history of all the different brands. It also outlined each brand, its Vitolas, and a review of a cigar in every brand. I highly recommend this book to anyone who would like to have this kind of information handy. It's in its fourth edition, and it is hard bound, with very good quality paper and binding. No matter if you need a Cuban cigar like me, or an old timer like many of you, this is a good read, and a good book to share with others with our interest. 0 of 1 people found the following review helpful. Look forward to every sweet occasion I'm in a place to enjoy a true ...By Matthew P. Look forward to every sweet occasion I'm in a place to enjoy a true Cuban cigar. That being said it does not happen as often as I'd like. This book has given me an opportunity to fine tune my wish list. Reads like most cigar reviews so seems very informative. It's actually opened my eyes to everyday cigars I currently smoke. Things I hadn't paid any attention to and has improved my enjoyment overall.

The Most Definitive Guide to Cuban Cigars! For more than two centuries, Cuban cigars have been heralded as the best cigars in the world. More than just a cigar, they're an art form, with tobacco growers and hand-rollers considered artists. Today, there are more than 200 varieties to discover, and this essential guide highlights each one. Featuring insights from industry experts like Gary Korb and Denis K. Toulouse, *The Cuban Cigar Handbook* presents an in-depth look at a wide range of fascinating topics, including: * a complete history of Cuban cigars * how to spot fakes * stories of celebrated cigar aficionados from Ernest Hemingway to Rudyard Kipling * the best Cuban rum to pair with a cigar * vivid descriptions of Cuba and its environs * dynamic profiles of growers, hand-rollers, and producers * and so much more! This is the ultimate handbook for any burgeoning cigar enthusiast or seasoned connoisseur.
