**From Virgin Books :** **The Daily Candy Lexicon: Words That Don't Exist But Should** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Daily Candy Lexicon: Words That Don't Exist But Should:

0 of 0 people found the following review helpful. The DailyCandy LexiconBy Lesa L. HowellVery clever and funny book! The perfect gift for the person (male or female) who has everything!2 of 2 people found the following review

helpful. Hysterical BookBy eeeckertI knew anything that came from Daily Candy was going to be funny, but I just didn't know how funny until I sat and read the book in one sitting. Every word in this book should be a real word. I use "phone zit" all the time now. If you need a good laugh, buy this book.0 of 0 people found the following review helpful. Such fun, clever girls.By Cedric's MomI came across the Daily Candy Lexicon in a (gasp!) brick mortar bookstore. I'd never heard of DailyCandy.com, which was born in NYC in 2001 and now has editors in a dozen big cities, including London. When I found out I could go to the site and sign up for my daily candy, I went ahead and I've been enjoying their wit and wisdom ever since.The subtitle "words that don't exist but should" describes the content. Chapters include work, love, food, shopping, nightlife, travel, technology, environment, and holidays. There are true-life anecdotes on every page to show the proper usage of terms. The entries go from mildly funny to bust-out-laughing funny. I'd say the target audience is female with a sense of humor and a spare \$15 in her pocket.These girls are way too smart and cynical for their own good and they're well-connected enough to be getting paid for it. The voice is completely consistent throughout the book, so although there are many Daily Candy editors around the country, only one wrote this book. With input from her colleagues, of course. But the characters on p. 15 really come alive through the vignettes, and I must say Simone is a woman after my own heart. :-DLove the trendy illustrations and layout design.

Women the world over have been nursing a powerful addictionto DailyCandy.com. A daily email newsletter covering absolutely everything (from lacy bras that actually fit to restaurant openings to children's museums), it's the ultimate insider's guide to what's new and undiscovered. It's like having a great conversation with a girlfienda girlfriend who tells you where to get your eyebrows threaded, knows when the best sample sales are, and can make you laugh really hard. Beloved as much for its witty, edgy writing as it is for its far-reaching information, DailyCandy has also grown into the go-to site for the latest in hip expressions, defining and inventing words and terms that just are becoming popularor should be. Smart, funny, and sassy, The DailyCandy Lexicon is a compilation of these definitions, invaluable whether you're a "girleen" (a young sassy woman) or a "SoDeeWah" (socialite/designer/whatever). Accompanying the listing is a behind-the-keyboard narrative of how the DailyCandy staff came up with the entries. Maybe you're tired of talking the way you've talked for years (please stop calling things "dope"), or maybe you're embarrassed that you didn't know what your cubicle-mate meant by "desk burn" (it's an injury sustained during in-office sex).

.com Learn a New Word From The Daily Candy Lexicon (Click to See More) Writers at Daily Candy have the inside line on the latest food, fashion and pop culture trends. With their trademark sass and savvy, theyre offering up a list of new words for everyday situationsand several words that don't exist, but shouldin The Daily Candy Lexicon. Dont leave home without it! Product Description The experts on all things cool and of-the-moment offer a glossary of the cleverest words youve never heard. Women the world over have been nursing a powerful addictionto DailyCandy.com. A daily email newsletter covering absolutely everything (from lacy bras that actually fit to restaurant openings to childrens museums), its the ultimate insiders guide to whats new and undiscovered. Its like having a great conversation with a girlfienda girlfriend who tells you where to get your eyebrows threaded (and anything else that might need it), who knows when the best sample sales are, and who can make you laugh. Really hard. Beloved as much for its witty, edgy writing as it is for its far-reaching information, DailyCandy has also grown into the go-to site for how to talk about it all, every day offering up a round-up of the latest in hip expressions. Always the trendsetter, DailyCandy has defined and invented words and terms that just are becoming popularor should be. Smart, funny, and sassy, The DailyCandy Lexicon is a compilation of these definitions, invaluable whether youre a girleen (a young sassy woman) or a SoDeeWah (socialite/ designer/whatever). Accompanying the listing is a behind-the-keyboard narrative of how the DailyCandy staff came up with the entries. Maybe youre tired of talking the way youve talked for years (please stop calling things dope), or maybe youre embarrassed that you didnt know what your cubicle-mate meant by desk burn (its an injury sustained during in-office sex). Either way, you need a dose of The DailyCandy Lexicon: Tart fuel: n. Girlie drinks. e.g., cosmos, kirs, or anything that tastes like Kool-Aid. Teenile: adj. Used to describe someone who is way too old for what she is wearing. (That 45-year-old woman is wearing low-cut jeans. Is she crazy or just teenile?) Kama-suture: n. Aid for injuries sustained during aerobic bedroom exercises (particularly by non-aerobictypes). Crapas: n. One of the many bad versions of the small plates craze. Apathy hour: n. What happy hour usually feels like.
