From William B. Eerdmans Publishing Company : The International Standard Bible Encyclopedia, Vol. 1: A-D before purchasing it in order to gage whether or not it would be worth my time, and all praised The International Standard Bible Encyclopedia, Vol. 1: A-D:

2 of 2 people found the following review helpful. EXCELLENT WORK AT GREAT PRICEBy CharlieCatfishRebel48I am a retired Southern Baptist pastor and former college professor. This is one of the finest bible encyclopedias available today. The massive four volumes cover everything you can imagine related to the bible, bible lands, customs, etc. This work is academically sound from a conservative perspective. I used a few of the articles in doing research toward my PhD over 20 years ago.0 of 0 people found the following review helpful. ISBEBy F. Leon KingThe ISBE is a very useful tool for anyone who does a serious study of the Holy Scriptures. Great

investment for any student of the Bible!10 of 10 people found the following review helpful. Great Book Buy the CD VersionBy Bura L. RobinsonThis is an incredible resource for any serious student of the Word of God. I bought research both this and The Anchor Bible Dictionary. Both are Well done. Though this one, to my delight, is written from a more Conservative stance. If you appreciate folks like Chuck Swindall, John MacArthur, Tony Evans as I do, you will enjoy this work. I WOULD HOW EVER HIGHLY RECCOMEND THE DIGITAL VERSION. The folks at Logos really got it right. One reviewer above mention computer being hard on the eyes. To that I say increase the font, which you can not do on the printed version. I like the electronic version as a siminary student when i quote from the book and copy and paste it to my paper it carries over the footnotes for me. What a Godsend.

A comprehensive biblical reference includes a wide range of articles about people, places, customs, events, religious concepts, and philosophical ideas mentioned in the Scriptures.

From the Back CoverThe International Standard Bible Encyclopedia combines the defining function of a dictionary with an encyclopedia's comprehensive presentation of accurate, dependable information. Summarizing the state of knowledge on more than 9,000 topics and including 3,500 cross-references, ISBE contain articles on every person and place mentioned in the Bible, every word in the Bible that has significant theological or ethical meaning, and all terminology that touches on the transmission and interpretation of the Bible.
