ideas for activities!0 of 0 people found the following review helpful. great!By XiAs a second hand book I have to say it's really derisive this price! Cheap and perfect!No stain or too much mark(only 5 pages have lighten mark)Thankyou!

The International Story features a generous selection of thought-provoking classic and contemporary short stories from several countries. Unique to this text is the integration of literary works with detailed guidelines for reading and writing and for crafting an interpretive essay.

"I never tire of teaching this splendid book."--George R. Bozzini, Essential TeacherFrom the Back Cover"The combination of an anthology of stories with reading and writing strategies is a great idea! The International Story features a strong emphasis on process, a lot of examples of student work, and many opportunities for small-group work, peer evaluation, and collaborative, cooperative learning."--Virginia Heringer, Pasadena City CollegeAbout the AuthorRuth Spack is a professor of English at Bentley University.
