Easy to skim through and grab a chunk of applicable wisdom for an interview in very little time, but the book still goes into enough depth to convey a full understanding of the underlying mechanics of the interviewing process.

(Purchase VERSION 2 using this link "[goo.gl/Gzve04](https://goo.gl/Gzve04)") The objective of this book is to give men and women simple, straightforward guidelines on applying for a job: what to wear to an interview, how to act, and specific questions to ask. This book applies to you no matter your background, education, or nationality. This book is unique because you will be given precise tools to control the flow of any conversation, perfect your resume, and you will be taught how best to display confidence during your interview. Most importantly, I provide 48 insightful, open-ended questions for you to ask your interviewers.
