Christopher Gilliam : The Job Search Advisor before purchasing it in order to gage whether or not it would be worth my time, and all praised The Job Search Advisor:

1 of 1 people found the following review helpful. The Job Search Advisor: straight to the fundamentalsBy Paul ErwayA good investment.This book gives you straight answers, advice, and preparation. There is very little fluff. It gives you concrete steps to take and gives you reasons to be confident. The book is a relatively quick read and each chapter stands by itself.I am currently evaluating my next career move, and am using concepts in this book to lay out a plan.0 of 0 people found the following review helpful. Read before your next job search!By Mark L. RybczykLooking

for a better job has practically become this nation's pastime. The Job Search Advisor is a must read for anyone looking to improve their station in life. Salary negotiations, job interviews, how to prepare a resume, it's all covered. I particularly enjoyed reading from the unique perspective of someone who makes hiring decisions. (....)

Job seekers call it a job search. On the other side of the desk, employers call it a recruitment campaign. To be successful in your job search you must think of it from the employers' perspective. Recognized as a leading expert in the field, Christopher G. Gilliam, SPHR, shares how to do this successfully so as to significantly increase your chances of being the applicant of choice. With over a dozen years experience making thousands of real-life hiring decisions, Mr. Gilliam delves into every aspect of your job search, from resume's and interviewing to using the internet and salary negotiation - Over 30 information packed chapters in all! Recruitment is a game... and Mr. Gilliam teaches you how to play the game to win!

About the Author Mr. Gilliam has been a hiring authority for public, private, and non-profit organizations. He has presented job search seminars to corporations, universities, state departments and the U.S. military. He is the founder of The Job Search Advisor, Incorporated, a nation-wide consulting firm that he started in 1995. He has published more than 50 articles on how to conduct a successful job search and is regularly featured on Career Clinic, a nationally syndicated radio program aired on more than 40 radio stations across North America as well as the military's international radio network.
