Robert Hawkins : The Kent Family Chronicles Encyclopedia: With Condensations of the John Jakes Novels and Essays About America from 1770 to 1877 before purchasing it in order to gage whether or not it would be worth my time, and all praised The Kent Family Chronicles Encyclopedia: With Condensations of the John Jakes Novels and Essays About America from 1770 to 1877:

0 of 0 people found the following review helpful. Book series need Encyclopedias!By New ReaderI just started reading this series so I ordered this book. There is so much history woven into these stories that a book that can help explain events and places is great. It really adds to the enjoyment from the books. I would definitely recommend! Happy reading!!0 of 2 people found the following review helpful. Great to read after or along with the Chronicles....By Jeffrey RobertsI bought this to reference back and forth. I want to read it again in a few years when I forget more of the story....
