**From Houghton Mifflin : The Large Print Roget's II Thesaurus** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Large Print Roget's II Thesaurus:

1 of 1 people found the following review helpful. Reading glasses plus large print = Success By Debbie F This was on my Christmas wish list. My eye are not what these used to be even with reading glasses. It helps me to maintain some lack of intelligence when writing thank you notes, etc., 0 of 0 people found the following review helpful. Too big and bulky. I thought it would have ... By Customer Too big and bulky. I thought it would have more entries. 3 of 4 people found the following review helpful. Worst of the bunch ... By Juan Leg I ordered 5 large print Thesaurus, and this was BY FAR the weakest of the group ! Make this your last choice !

The Large Print Roget's II Thesaurus surpasses the traditional thesaurus, distinguishing among synonyms according to

their subtle differences in meaning. There are more than 3,500 clear, useful entries offered, including the most frequently used - and misused - words in the language. The perfect companion to The Large Print American Heritage(R) Dictionary, this thesaurus carries the Seal of Approval of the National Association for Visually Handicapped.

About the AuthorThe Editors of the American Heritage Dictionaries and of other reference titles published by Houghton Mifflin Company are trained lexicographers with a varied array of interests and expertise. Most of the editors hold graduate degrees and have studied at least one foreign language. Several have degrees in linguistics or in the history of the English language. Others have degrees in science or sometimes other disciplines. All the editors familiarize themselves with the vocabulary in specific subject areas, collect materials on new developments and usage, and work in association with consultants to ensure that the content of our publications is as accurate and as up-to-date as possible.
