Robert Thornton : The Lexicon of Intentionally Ambiguous Recommendations (L.I.A.R.) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Lexicon of Intentionally Ambiguous Recommendations (L.I.A.R.):

0 of 0 people found the following review helpful. Kind of like potato chipsBy 2010ownerRather repetitive. Kind of like potato chips. One or two are pretty good, eat the whole bag and feel bloated and sleepy. Give as a gift to someone you don't know well.1 of 1 people found the following review helpful. Great, subtle humorBy Rev. Diannel found this book sometime in the 90's laughed uproariously. I now use it in preaching, not a lot, but it continues to invite laughter just because it is so contemporary.0 of 0 people found the following review helpful. Educational and amusing and

cleverly written. By George Educational and amusing and cleverly written.

This hilarious book has been featured in the Chicago Tribune, Los Angeles Times, New York Daily News, Washington Post, Reader's Digest and Playboy. This portable book is perfect for any office warrior to keep in their desk drawer for a chuckle when the office goofball screws up again...or asks for a recommendation!"Thornton has just revolutionized the job-hunting business."-Washington Post"A collection of 'virtually litigation-proof' phrases."-Los Angeles Times

About the Author Robert J. Thornton is a professor of economics at Lehigh University. He lives in Bethlehem, Pennsylvania.
