From how to ensure your egg whites are up to the task to presenting the perfect, jaw-droppingly beautiful macaroon. Sprinkle strawberry macarons with black pepper before you bake, don't even attempt to make macarons on a wet or muggy day, invest in digital scales--these and other tips are included in a compendium of everything there is to know to create these lovely little confections. The Little Books of Tips series is a collection of books, each 50 tips in size, delivering wisdom and advice on a whole range of popular subjects covering food, gardening, craft, sports and hobbies. Over quarter of a million copies sold across the series.
