**David Schiller, Carol Schiller : The Little Giant Encyclopedia of Aromatherapy** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Little Giant Encyclopedia of Aromatherapy:

1 of 1 people found the following review helpful. informative By helen hannumok well apparently the first feedback i left was a neutral feedback. my mistake. This book may be small but its very informative, some of the E.O's are hard to come by or even hard to find, but i found the recipes to be very useful, there are a few that i am going to try out. I recieved the book well within the date it was supposed to arrive very fast delivery. 0 of 0 people found the following review helpful. Simple and quick recipes By Pamela I refer to this book when I am looking for a recipe quickly. It is small, well laid out, and some great recipes, I have studied aromatherapy for 3 years, yet sometimes don't have time to make my own blend so I will use this book, and a few others. Great book, information is mostly recipes which is great. 0 of 0 people found the following review helpful. FULL!!!! By Tabitha Wood This little book is full of information and it is small enough for me to keep it in my purse. I love that it is something that I can take with me on vacation.

Harness the power of scents to elevate your mood, lift your spirits, and beautify and heal your body. With the more than 450 recipes in this handy reference you will create enjoyable and effective products. Transform a room into a haven that smells like a garden of flowers or a fresh forest. Make bath salts, skin creams, hair rinses, deodorants, and other personal care products. There are aromatic combinations to encourage conversation, enhance mental clarity, calm your nerves, alleviate PMS, stimulate creativity, induce restful sleep, and more. See how to use essential oils to intensify the healing power of massage to relieve aches and pains, enliven tired feet and calves, improve physical endurance, and loosen tight muscles. You can even make all-natural furniture polish, insect repellent, and pet care products. Important information on the safe use and handling of oils and an alphabetical directory of essential oils will help you select the formulas that are right for you. Both authors reside in Phoenix, AZ. 512 pages, 4 3/16 x 5 1/4.
