Gene Perret, Terry Martin : The Little Giant Encyclopedia of One-Liners before purchasing it in order to gage whether or not it would be worth my time, and all praised The Little Giant Encyclopedia of One-Liners:

0 of 0 people found the following review helpful. Very few good one-liners By Markku Ojanen I was disappointed. There are a couple of good one-liners by various speakers and writers, but those written by the authors are poor. These are the large majority. 2 of 2 people found the following review helpful. A little book produces BIIIIIIIG laughs!!! By Joel L. Gandelman I have to admit I was highly skeptical when I bought this book. I buy lots of joke books (I'm an entertainer) and a lot of times if I circle the jokes I liked I find I circled one of two. NOT IN THIS ONE! This is truly a "little giant encyclopedia": small but quite THICK. These aren't jokes jokes that go on forever but short, punchy one-liners. And although this book DOES have some from famous current and legendary comedy mavens, it has a LOT of

original stuff. Gene Perret (Bob Hope's former writer who has a lot of GREAT books he has penned himself) compiled and wrote this with Terry Marin -- and all I can say is that a "jaded" entertainer like me read this and laughed out loud. You can use these one-liners in your conversations with friends (remember that many of the BEST ad libs you see on tv are rehearsed!), for a speech, toast, roast etc. There are new ones such as: "I told my doctor I couldn't lift my hands above my head. He told me to stay away from muggers," and "He wore a toupee that made him look 10 years sillier." And there are ones from comedy pros: "She's so fat she's got more chins than the Chinese phone directory." (Joan Rivers) and "He's so old his blood type is discontinued." (Bill Dana) Jokes are divided into categories and there's a nice index so you can look up what you want when you need it. Bottom line: super quality...super-value...convenient size! 0 of 0 people found the following review helpful. its okay By KATIE this book isn't very funny unless you laugh over pickles having mold on them...

"There is no such thing as fun for the entire family."--Jerry Seinfeld. That's an example of a one-liner. It packs a wealth of meaning into a few words and produces a chuckle along with its wisdom. Here's another one: "My luck--I was waiting at the airport when my ship came in."--Henny Youngman. There are many more laugh-inducing one-liners like these in this collection! Some are attributed to famous people; others have no source. They span many different topics. One thing's for sure. These one-liners not only say something, but they say it in a memorable way. Here are two more: * "Money is better than poverty, if only for financial reasons."--Woody Allen. * "I was so ugly as a kid we never had a jack-o'-lantern. They just stuck me in the window."--Rodney Dangerfield. Perrett lives in Westlake Village, GA. 512 pages, 4 3/16 x 5 1/4.
