Scientific Publishing : The Liver chart: Laminated Wall Chart before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Liver chart: Laminated Wall Chart:

The Liver chart presents an overall view of the structure and function of the liver, including the portal system and bile production. The lobules, the functional units of the liver, are shown and described in detail. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included).
