George Stone Saussy : The Logodaedalian's Dictionary of Interesting and Unusual Words before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Logodaedalian's Dictionary of Interesting and Unusual Words:

0 of 0 people found the following review helpful. Too Brief a Treat By BookishToo brief a treat. My only complaint

about this marvelous, charming compendium of luxuriant words is its brevity, but that is the nature of such rarities. Mr. Saussy has a keen palate for the delectable morsel, the exquisite. One almost reads with a raised pinky, nearly summons one's butler to turn the pages. 4 of 5 people found the following review helpful. Buy this book, you'll be glad you did and so will I. By Kindle Customer This is a great book for the throne-room browser. a verified collection of words used by hundreds of authors defined and used in context. a useful tool for obscurantist and obfuscators. i no longer get a cut from your purchase so buy with confidence that my opinion is objective. George Stone Saussy III Pawley's Island, SC 1 of 1 people found the following review helpful. This Book is Fun for any Logophile ... By Clinton D. Stevens The words range from "abaxial" to "zahir." The book is reminiscent of The Grandiloquent Dictionary and Mrs. Byrnes' Dictionary, although I deem the latter two to be a little superior to this one, thus 4 stars.

Book by Saussy, George Stone
