The new part of the book is the update on developments in martial arts after seventies. It is a valuable book and authors should start preparing another new edition with more updates.0 of 0 people found the following review helpful. Martial Arts in the US.By BernieThis book gives a good overview of Asian Martial Arts in the United States. It is particularly relevant for those whose style is of Japanese origin, particularly Judo or Karate. Many other styles are mentioned, although briefly.0 of 0 people found the following review helpful. Best Reference Book EverBy Paul MaslakBest reference book ever compiled about the

history of the martial arts around the world and, especially, in the United States and Canada.
