Robert Steiner : The McKinsey Personal Experience Interview Toolkit: How to (really) master the McK PEI before purchasing it in order to gauge whether or not it would be worth my time, and all praised The McKinsey Personal Experience Interview Toolkit: How to (really) master the McK PEI:

2 of 3 people found the following review helpful. WARNING: FRAUDULENT REVIEWS By A. v. Westfield The booklet is - unfortunately - not useful at all. A nice concise guide with some examples priced at \$10 would be awesome, but that is not what you are getting. You are getting an agglomeration of trivial stuff stretched to look like a lot with a healthy dose of inspiration from Victor Cheng. Have a look at the positive reviews, in particular on the German website; they are all from accounts that have reviewed Mr Steiner's other two books and not much else, one account even is in the author's name. Looks like a pretty clear cut case of fraud to me - stay away! You will find plenty of free info that is considerably more helpful than this useless booklet, stuffed with advertisements for the author's skype sessions. Typically McKinsey will schedule a coaching call; feel free to ask any clarifying questions you may have regarding your stories for each of the dimensions, they will not hold it against you. 1 of 1 people found the following review helpful. DO NOT WASTE MONEY ON THIS BOOK By D. kwon DO NOT BUY THIS BOOK This is a repeat of articles available online for free, Victor Cheng's articles and parade. Don't waste your money on this product. It's totally not worth the money and he says there's a 100% guarantee but he doesn't honor it and doesn't give you a refund. 5 of 6 people found the following review helpful. Extremely overpriced for publicly available online information By Customer It is not a book, it is a set of powerpoint slides. All the information (actually much more) in this book can be found online. I was very stressed for my interview and bought this book (ebook version on the original website) for 97 dollars but it should actually be a 7 dollar book, maybe 3.

The McKinsey PEI (Personal Experience Interview) is by far the most underestimated part of the McKinsey interview procedure and the most likely reason why candidates fail in their interviews. Lots of candidates are not even aware that

the McKinsey PEI is a distinct interview format and hasn't basically anything to do with general CV-related questions you might come across at other consulting firms like "what are your strengths", "tell me about your weaknesses", etc. Therefore, mastering the McKinsey PEI requires an in-depth understanding of this interview format and very diligent preparation. With the McKinsey PEI Toolkit You Are Going To... Master the whole PEI prep process effectively and efficiently by understanding McKinsey's underlying mindset regarding the PEI. Choose the right examples for your McKinsey PEI stories by acquiring in-depth knowledge of the three PEI interview dimensions and what specifically to emphasize. Lay out and prepare all your PEI stories exactly the way McKinsey wants you to have them delivered. Eliminate the huge risk of going into a wrong direction in your PEI and only assuming that you are well prepared, recognizing it only on your interview day that you are way off, once it is too late already. Get started in your PEI prep now and avoid procrastination by following a proven, time-tested process. Save a lot of time in preparing for the PEI by doing it right the first time instead of reworking it several times, especially if you are under time pressure after having received your interview slot on short notice. Score high on all PEI evaluation criteria by comprehending McKinsey's scoring sheet. To put a long story short: Make sure you are well prepared for the PEI, go to your interviews in a confident manner with peace of mind, and don't risk to fail on your interview day and lose your McKinsey job offer unnecessarily if you could have prepped for it easily. A Long Story Short: 100% First Hand Information 6-Step Proven Process For In-Depth Prep 15 Sample Stories From Successful Candidates 20 Real-Life PEI Sample Questions 100+ Pages Of Pure Content You can find more information as well as the ebook version for instant download on <http://pei.consulting-case-interviews.com>.

About the Author Robert is known as one of the world's most successful consulting interview coaches - he has already secured a job offer for literally hundreds of candidates in the management consulting industry. Specifically for McKinsey, quite some of his candidates did not even have to go through the final interview round - thanks to their stellar performance, they received their offer already after their 1st round of PEI case interviews at the world's most prestigious consulting firm! Currently, Robert serves as partner in a boutique consulting firm, has both external and inhouse consulting experience of 10+ years, is author of several case interview books, does high impact consulting interview coachings since 2011 and is shareholder and advisor of 2 European e-commerce companies.
