Stanley Newman, Daniel Stark : The Million Word Crossword Answer Book before purchasing it in order to
gauge whether or not it would be worth my time, and all praised The Million Word Crossword Answer Book:

0 of 0 people found the following review helpful. a must for crossword enthusiasts By Donna K. Groskopf
a must for crossword puzzle players 0 of 0 people found the following review helpful. Three Stars
By Augie D Not what I expected and difficult to use. 0 of 0 people found the following review helpful.
It's okay based on what the user is familiar with. By Mabel (Mae) Perski I'm use to using a dictionary
and looking up a word so I don't often look up just the letters that I have and the spaces between them.
I've used it a couple of times but find I like the Million Word Crossword Dictionary better. I just feel
more comfortable with the dictionary vs the answer book. It appears to be a very good book to look up
known letters and spaces. It's just what your are use to.

The Million Word Crossword Dictionary was hailed by New York Times crossword editor Will Shortz as "the largest,

most up-to-date, and most useful" and praised by crossword editors nationwide. Now, noted crossword experts Stanley Newman and Daniel Stark unveil the next tool to send your solving skills soaring. **THE MILLION WORD CROSSWORD ANSWER BOOK** is a radically comprehensive word finder that you can use when two or more letters of the answer are known. Even easier to use than a crossword dictionary, you can use the two together or separately to power-solve the toughest puzzle! The 1,000,000-plus entries consist of exhaustive lists of crossword answers from 3 to 7 letters, in which 2 letters are specified. For example, 7-letter answers with H as the second letter and C as a sixth letter will include the words CHALICE and PHYSICS, the proper names EHRLICH and SHYLOCK, and the phrase THIN ICE. The book's "base lexicon" consists of words and phrases from actual puzzles, representing about 88 percent of all crossword answers--a number untouched by any other reference book--and the inclusion of slang terms and celebrity names give this book the topicality and comprehensiveness you've come to expect from the Million Word brand. In addition, a unique crossword answer Glossary section lists more than 20,000 definitions for less common or potentially confusing words and proper names, hand-picked by Stan and Dan based on their expert knowledge of words and terms most likely to stump solvers. The biggest and most complete answer book ever, **THE MILLION WORD CROSSWORD ANSWER BOOK** is your master key for unlocking any crossword puzzle.

The most comprehensive source of contemporary crossword answers now even larger and easier to use. (Will Shortz, New York Times crossword editor) There are over a million reasons to be ecstatic about this book. (--Emily Cox and Henry Rathvon, Boston Globe and Atlantic Monthly crossword creators) A bonanza, the ultimate reference aid for crossword solvers. . . a must for every crossword fan. (--Maura Jacobson, New York Magazine crossword creator) Every word you're ever likely to need is here. (--Fred Piscop, Washington Post Magazine crossword editor) About the Author Acclaimed puzzle creator, editor, and publisher Stanley Newman is crossword editor for Newsday, with puzzles syndicated worldwide. He holds the world record for the fastest completion of a New York Times crossword. Daniel Stark creates the daily crosswords for United Feature Syndicate. His puzzles also appear in many national publications.
