Stanley Newman, Daniel Stark : The Million Word Crossword Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised The Million Word Crossword Dictionary:

1 of 1 people found the following review helpful. Best Resource AvailableBy Thomas GrimesBest crossword reference available. I recommend the hardback copy. Frequent usage demands a durable binding and the paperback just does not fit the bill and quickly wears out. I have not found a one crossword book to serve as a reference for all needs, especially for some puzzle words involving literature, theater, cinema details (author nmes, characters, word in a song title, etc. . Nevertheless, I believe this book by far does a better job than all the rest combined. .1 of 1 people found the following review helpful. Works well on the Samsung Kindle appBy CustomerWhen I first downloaded this book and tried to use it on the Samsung Kindle app I got very frustrated.The app show a blank white screen with the little arrow going round and round and round. You wait and wait and nothing happens. So I returned the ebook for a refund.However I wanted to install it on my Kindle Paperwhite so I purchased it again. This time I find that I can use it on the Samsung Kindle app. The trick is to tap the screen when it gets to the white screen situation. Lo and behold, the

dictionary appears. Searching the dictionary is easy and brisk. Use the standard search. But it doesn't work in the standard way. Instead, if your search word is a head word, you are taken immediately to the relevant page. In general, don't put in more than one word. If you do, or if you put in a word that is not a head word, the search drops back to searching the entire document. It is a big document, so not recommended. I haven't managed to download this to my Kindle, but for the moment, I am well pleased with the tablet app performance. Addendum: I found this document on my Paperwhite by accident. It was transferred, but put in with the Dictionaries. I didn't even think to look there. LOL. 0 of 0 people found the following review helpful. The best out there. By NortheastGal I've tried different crossword dictionaries, and I own three of them. This is the best one by far. I've bought it for others as a gift, and the recipients are thrilled with the book. I hope the authors come out with an update soon! Highly recommended. January 2010 update: Having purchased a Kindle, I was excited to get this dictionary on the Kindle, so I wouldn't have to lug out that huge book all the time. I wish that I had read the Editorial Review first, because this book doesn't work on the Kindle - there's no way to search for a word, as a heading. When you search for a word, you get every instance of that word in the whole book. Very disappointed - I wasted the ten dollar Kindle fee on this version. I still love the hardcover; I just wish the Kindle version was better. I would give the Kindle version one star, if I could.

With more than 1,300,000 answers, this volume contains more than twice as many words as any other crossword dictionary. Meticulously compiled by two crossword professionals with a combined fifty years in the field and based on a massive analysis of current crosswords, there has never been a crossword dictionary with the breadth, depth, and currency of this one. From Jim Carrey to Sister Carrie, Homer Simpson to Homers Iliad, the wide-ranging entries include 500,000+ synonyms, 3,000+ literary works, 3,000+ films, 20,000+ famous people from all fields, and more than 50,000 fill-in-the-blank clues so popular in today's crosswords. Featuring an introduction by New York Times crossword editor Will Shortz, The Million Word Crossword Dictionary makes every other crossword dictionary obsolete. This updated edition offers thousands of new entries, including slang terms; brand names; celebrity names; and the latest films, novelists works, sports Hall of Famers, automobile models, and more. The new, larger type size makes finding the answers easier than ever.

The largest, most up-to-date, and most useful crossword dictionary available. (from the Introduction by Will Shortz, New York Times Crossword Editor) This book is unlike any crossword reference I've ever seen. A must for the crossword aficionado. (Rich Norris, Los Angeles Times crossword editor) Surely the most comprehensive crossword clue-and-answer resource ever compiled... (Emily Cox and Henry Rathvon, Boston Globe and Atlantic Monthly crossword creators) Long overdue but well worth the wait, this is the only crossword dictionary you'll ever need. (Merl Reagle, San Francisco Chronicle crossword creator) Newman and Stark. . . know what should (and shouldn't) be in a 21st-century crossword dictionary. . . This is the book you want. (Fred Piscop, Washington Post Magazine crossword editor)... this remarkable book is destined to be not just another crossword dictionary, but the crossword dictionary. (Wayne Robert Williams, Chicago Tribune crossword editor) You'll find 40 entries here under comprehensive. I'd say that pretty well sums it up. (Mike Shenk, Wall Street Journal crossword editor) A boon to solvers of crossword puzzles. You can even find names of pain relievers and rental cars! (Word Ways: The Journal of Recreational Linguistics) [An] excellent resource. (Library Journal) From the Back Cover With more than 1,000,000 answers, this volume contains more than twice as many answers as any other crossword dictionary. More important, it is the first crossword dictionary ever to comprehensively cover the clues and answers that actually appear in today's most popular crosswords, including contemporary slang, phrases, and brand names. Meticulously compiled by two crossword professionals with a combined thirty years in the field, and based on a massive analysis of current crosswords, there has never been a crossword dictionary with the breadth, depth, and currency of this one. From Jim Carrey to Sister Carrie, Homer Simpson to Homer's Iliad, the wide-ranging entries include 500,000+ synonyms, 3,000+ literary works, 5,000+ films, 20,000+ famous people from all fields, and more than 100,000 fill-in-the-blank clues so popular in today's crosswords. Featuring an introduction by New York Times crossword editor Will Shortz, The Million Word Crossword Dictionary makes every other crossword dictionary obsolete.
