Personal Financial Management: from College to Career, 5th Edition is a unique book written specifically for young

adults and families concerned about the complex financial world they face as they begin their careers and lives together. It was originally published as a companion text for an upper division course taught by Mr. Selinger at the University of California at Berkeley, sponsored by the Haas School of Business. It is easily read and understood by both business and non-business majors. The recently printed "5th Edition" includes updated information about credit cards, debit cards, student loan debt, credit reports, FICO scoring, identity theft, the impact of love and money in a relationship, the ways to buy a house or car, personal taxes, IRAs, 401k plans, endless investment options, in stocks, bonds and mutual funds, soaring medical and retirement costs, and much more
