SCARY BUT YUMMMYBy T Fentertaining and actually really great recipes for some fun timesgreat gift for the zombie lover

In use for hundreds of years, this is the classic collection of delicious recipes for the monster in your life. Featuring

such treats as Cubed Earwax, Thickest Human Snot and perennial favorite Chunky Organ Marmalade, this book is full of recipes to suit every vampire, mummy or zombie's needs. Hoxton Street Monster Supplies was established in 1818, though the exact details of why, and by whom, have tragically been lost to history. In 2010, after closing for a much-needed refurbishment, they re-opened their doors. They pride themselves on being London's, and quite possibly the world's, only purveyor of quality goods for monsters of every kind.

About the Author Hoxton Street Monster Supplies raises money for the charity Ministry of Stories, established by Nick Hornby with help from various famous friends including Stephen Fry and Jarvis Cocker. All profits go to the charity, a creative writing and mentoring charity for young people. The brand is sold in a wide range of shops, including Liberty's, Harrods, Selfridges, TK Maxx and Firebox.
