"outstanding" and absolutely must read book for professionals looking to start a new chapter to their careers. For the past twenty years, the author has been highly successful executive recruiter and mentor for hundreds of recruits throughout the country. This book utilizes that vast experience and wealth of knowledge to provide an excellent "Blue Print or Road Map" thereby empowering individuals to proactively search and secure opportunities to meet or exceed their job search goals.....it's a total game-changer! The writer is very authentic and sincere in his approach speaking directly to his audience while providing the direction, coaching and tools needed to help the reader locate the career position they want and to differentiate themselves from the competition. Like others, I'm a seasoned sales professional who has read many different job-search books throughout the years and this is by far the most effective book on the market and applies not only to your job search but to many aspects of life as well! Do yourself a favor and buy the book before starting your new search and please share it with a friend.....Thank you Brian Howard!! 1 of 1 people found the following review helpful. ... advantage in your search for a job I highly recommend this book By Laneylu If you want a serious advantage in your search for a job I highly recommend this book. Starting with establishing and maintaining the tools to keep you motivated throughout the job search process and how to laser in on the job that is right for you, the book has endless information about positioning yourself prominently on social media, effectively networking and preparing for the interviewing and hiring process. No detail is missed, and I learned a lot from reading this book. Very current and well written. Absolutely no abstract fluff. A great investment for the modern job searcher! 1 of 1 people found the following review helpful. Highly Recommend! By Allison Rolandi Reading The Motivated Job Search served as inspiration that triggered my inner desire to never give up. It reminded me of my ability to reinvent myself and find new direction. My entire attitude remained positive and upbeat which led to gaining employment exactly two weeks and a day after I had lost my job. Without question I highly recommend The Motivated Job Search. It is truly a difference maker in your job search because it is a difference maker in you. AR
