Scientific Publishing : The Nervous System chart: Laminated Wall Chart before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nervous System chart: Laminated Wall Chart:

The Nervous System chart is an overview of one of the most complex system of the human body. The central image of the chart shows the brain and the major nerves of the body. The cranial nerves, spinal structure, functional brain areas and the neuron and synaptic cleft are shown through other images. Heavy gauge 3ml lamination with sealed edges and two metal eyelets for hanging makes chart highly durable. Write-on/wipe-off with dry erase marker (not included).
