Scientific Publishing : The Nervous System chart: Wall Chart before purchasing it in order to gage whether or not it would be worth my time, and all praised The Nervous System chart: Wall Chart:

0 of 0 people found the following review helpful. Five StarsBy Dolores ScarlettGreat helper

The Nervous System chart is an overview of one of the most complex system of the human body. The central image of the chart shows the brain and the major nerves of the body. The cranial nerves, spinal structure, functional brain areas and the neuron and synaptic cleft are shown through other images. Heavy cover stock with protective varnish for durability.
