**Antonio and Avery, Catherine B. -- Editors Houaiss : The New Appleton Dictionary Of The English And Portuguese Languages** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Appleton Dictionary Of The English And Portuguese Languages:

2 of 2 people found the following review helpful. Best on the market!By Brian F.As for my experience with this purchase, the summary is: prompt shipment, fair price, condition as described. Now, as for the quality of the book in question, this is absolutely by far the best English/Portuguese dictionary of all published to date Unlike the ones limited mostly to cognate forms and with very superficial definitions, this one provides meanings with in-depth descriptions, and numerous expressions. It happens that I knew both of the co-authors, one (Houaiss) provided the name, Avery (wife of an Anglican pastor) did the real work, producing a truly outstanding reference work.
