This one is a bigger size and slightly larger print which is very helpful to me because my close vision is not as good as it used to be. I am using the dictionary as a study aid to my Hebrew classes and it is a fine product for this purpose. I am glad that I purchased it from .9 of 9 people found the

following review helpful. Hebrew AND English By Bonnie S. Nye This dictionary is very useful because it has English with Hebrew definitions on one side and Hebrew with English definitions from the other side. I often need the Hebrew word instead of the English. Most dictionaries I found have only English with Hebrew definitions. And it is very reasonably priced. 12 of 12 people found the following review helpful. Very complete By Cyril Malka I bought the paperback version of this dictionary back in 1983 and used it ever since. I thought it was about time I bought a new copy. Well, yes and no :) Yes because, of course, there are new words showing up all the time. No, because this dictionary is so complete and so well made that you won't need another one for the many years to come. Definitely, an investment worth making.

Clear Precise Easy to use The convenient, comprehensive, popular one-volume English/ Hebrew, Hebrew/English Dictionary Now updated for the first time in thirty-five years Thousands of new words in science, technology, and culture Tables of English irregular verbs Tables of the Hebrew noun and all forms of the Hebrew verb
