Also Cross begins the synopsis of each opera with a list of the characters and what part each sings. Newman does not even list the characters. Also excellent is Wm Berger's Verdi With a Vengeance. ~ Celeste Downey0 of 0 people found the following review helpful. Five StarsBy HPKIt covers the subject nicely and gives a better understanding of an opera.0 of 0 people found the following review helpful. I am very pleased!By Dr. William J. LahlI purchased this because of the author who I heard on radio for over 50 years. The book arrived on tome and the condition was as advertised. I am very pleased!
