American Association of Museums : The New Museum Registration Methods before purchasing it in order to gage whether or not it would be worth my time, and all praised The New Museum Registration Methods:

0 of 0 people found the following review helpful. UsefulBy iryna stadnikWould recommend to anybody in the field. Very informative. Helped me with my assignments and couple of papers. Something good to have on your shelf for a quick reference0 of 0 people found the following review helpful. The New Museum Registration MethodsBy NatishaThis book is so in-depth and detailed. Any novice can understand it. Plus I was told by someone in the field that they continue to use it as a reference.0 of 0 people found the following review helpful. Not badBy SbphotoAs far as text books go this one wasn't bad...a lot of information which came in hand...it's one thatI will be keeping

The "bible of museum registrars," updated for the 21st century, with more than 50 all-new chapters covering the complete registration procedure, proper care and storage of objects, collections management, documentation, computerization of records, shipping and handling, insurance, security, ethics and legal issues, and much more. An indispensable reference book for museum professionals working in any kind and size of institution. Prepared by the Registrars Committee, a Standing Professional Committee of AAM.
