E. C. Parnwell : The New Oxford Picture Dictionary: English-Cambodian Edition (The New Oxford Picture Dictionary (1988 ed.)) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The New Oxford Picture Dictionary: English-Cambodian Edition (The New Oxford Picture Dictionary (1988 ed.)):

"The New Oxford Picture Dictionary" and its components provide a complete, four-skills language development program. The program is: practical - a wide range of topics introduce new words in their most common context; easy to use - vocabulary items are presented without ambiguity or the need for translation; versatile - the Dictionary itself and its components have unlimited applications; and flexible - the Dictionary can be used alone or with its components.
