church5 of 6 people found the following review helpful. Not what I was looking forBy EstherI was looking for a book to help me with the original Hebrew and Greek meanings of the words in the Bible. This was not it. This book was not beneficial to me by itself. I could see that it was to be used with another of Strong's books but I was just looking for one book that could help me out a little with understanding the Bible. The one thing that really disappointed me is that there are absolutely no references to verses in the Bible. The book is a huge index with words and their various meanings, but where these words are in the Bible is not said. How can I know which meaning of the word to use when a Bible reference is not there? The reference that is there, refers to whatever other book this one is supposed to be used with. If you have that book then this should be a good addition to it (that's what it says). But I do not have that other book and so I was completely lost when I opened up this one to read it.0 of 0 people found the following review helpful. Five StarsBy Diane RoeVery helpful.

Get more mileage out of your Strong's Concordance with this English Word Index Every one of the millions of users of Strong's Exhaustive Concordance can now multiply its usefulness and benefit from the exclusive English Word Index created by Thomas Nelson. A convenient addition to Bible study resources for pastors, scholars, students, and those who want to dig deeper in their personal Bible study, this index offers an easy-to-use format for doing word studies more efficiently and completely. The New Strong's Guide to Bible Words helps you get the full benefit of your current Bible study resources-giving you access to over 14,000 biblical words, showing all Hebrew or Greek words that lie behind each English word, along with the number of times each occurs, Strong's numbers, and brief definitions. If you own a Strong's Concordance, you'll want the New Strong's Guide to Bible Words. If you want to do serious word studies, you won't want to be without this valuable tool.

Language NotesText: English, Hebrew, GreekAbout the AuthorDr. James Strong (1822-1894) was formerly president of Troy University and professor of exegetical theology at Drew Theological Seminary.
