SUBJECT: SEARCHING FOR A WORD[S] IN THE NEW UNGER'S BIBLE DICTIONARY. Using Control-F to search. I have stated, along with numerous others, that I heartily recommend The New Unger's Bible Dictionary. However, some people who use the digital [Kindle] edition state that they find the task of searching for a word in this dictionary to be a tedious task. Following is a method that may lighten the chore. USING CONTROL-F. 1. Down the left side of the document is a black stripe. 2. Press Control-F. 3. A white

bar appears at the top of the black stripe.4. Type in a word, or words, to search for, such as Great Tribulation. On my computer the matches immediately begin to appear down the stripe.5. Twenty-five [25] matches are listed. [The number of matches found appears immediately below the white bar.]6. The first result is at Page 62 at Location 4069. The last result is at Page 1307 at Location 63607. Incidentally, the last word "Zuzim" is located at 67606 of 67638. The Kindle [digital] dictionary has 1412 pages. The information found for "Great Tribulation" is especially relevant. According to the Bible, the Years of Tribulation will be as nothing ever before seen on our planet. These Years will be soul-searing and seemingly never-ending. ALL persons on the planet must endure the Years of Tribulation. THERE WILL BE NO RAPTURE.=====4 of 4 people found the following review helpful.
