**Staff of the Culinary Arts Institute (edited by) : The New World Encyclopedia of Cooking** before purchasing it in order to gage whether or not it would be worth my time, and all praised The New World Encyclopedia of Cooking:

3 of 3 people found the following review helpful. This is a wonderful cookbook that I have had for 35+ yearsBy Debra K. KauffmanThis is a wonderful cookbook that I have had for 35+ years. Just bought one for my nephew who likes to cook and wanted something with recipes made from scratch. Easy to follow instructions, lovely pictures and contains everything from beginning to end for a meal. I may have to consider buying another one for myself as mine has definitely shown wear but hate to replace it because of all the memories of some great meals.
