From Brand: Heinle n Heinle : The Newbury House Dictionary of American English (Book CD-ROM) before purchasing it in order to gage whether or not it would be worth my time, and all praised The Newbury House Dictionary of American English (Book CD-ROM):

The Newbury House Dictionary of American English is updated annually to include new, frequently-used terms such as: debit card, DVD, home page, and sport utility vehicle. Activity Guide develops essential dictionary and vocabulary-building skills through engaging, theme-based lessons; simple and relevant sample sentences are included for each entry; business and computer terms like managed care, euro, techie, and spam illustrate the latest words and concepts in these fields; and usage notes provide important cultural and grammatical information. Now bundled with a fully searchable CD-ROM: hear all 40,000 words pronounced, see over 2000 full-color photos and drawings, and find definitions instantly by clicking on any word you see.
