Four StarsBy SamDid the job for my class0 of 4 people found the following review helpful. Great!By kvansGreat- this book arrived on time and was in the condition that was stated. I am very

happy with this book.

"From the inception of *The Norton Anthology of American Literature*, three goals have been paramount: first, to present a variety of works rich and substantial enough to enable teachers to build their own courses according to their own ideals; second, to make the anthology self-sufficient by featuring many works in their entirety and longer selections so that individual authors can be covered in depth; and third, to balance traditional interests with developing critical concerns." Nina Baym, General Editor, from the Preface Now in its Sixth Edition, *The Norton Anthology of American Literature* remains the enduring market leader. The new Shorter Sixth Edition shares with its parent volumes the commitment to broadening the canon while maintaining a representative balance of American literature. Thoroughly revised and tailored especially to the one-semester course, the Shorter Sixth Edition builds on the classroom strengths of flexibility, depth, and balance in a strong revision.
